2. In view of the prevalence of cholera in South Canara and of plague in several parts of British India and especially in the Bombay Presidency, it is hereby notified for public information that attendance at the Jatre this year is attended with great risk.

3. Intending visitors will therefore be well advised if they defer attending the Jatre till next year.

F. E. CARR, *Dy. Comr.*

IN THE COURT OF THE MUNSIFF, YEDAHALLI.

Dated, Yedahalli, 1st March 1898.

In accordance with para 4 of the addendum, dated 13th December 1897, to the Civil Rule of Practice No. 89, dated 15th December 1896, notice is hereby given for the information of the parties and their pleaders concerned, that applications for the refund of the value of unused stamps in suits or proceedings already disposed of should be made within three months from the date of publication; failing which, the unused stamps will be destroyed.

ANANDA RAO S. SIRSI, *Acting Munsiff.*

KOLAR DIVISION.

The 1st March 1898.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Kolar division, up to 15th April 1898 inclusive, for re-constructing Commandant's quarters, Commissioned Officer's quarters and huts for Barr sepoys stationed at Kolar. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of June 1899.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Kolar, between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer and be accompanied by a statement, in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of rupees five hundred in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for re-constructing Commandant's quarters, Commissioned Officer's quarters and huts for Barr sepoys at Kolar, in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender, or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.
